Work Experience

BORNEO MARINE RESEARCH INSTITUTE

Kota Kinabalu, Sabah

Research Assistant

Feb 2019 – Nov 2020

- Conducted experiments within an academic research setting, focusing on data collection, analysis and interpretation to support aquaculture research projects
- Supervised undergraduate students working on research projects, providing guidance on data collection, analysis and experimental procedures to ensure project accuracy and quality
- Performed administrative tasks, including organizing research data and managing project timelines, ensuring smooth coordination of research activities

AQUACULTURE RESEARCH INSTITUTE

Intern

Shirahama, Japan

July 2018 – Sept 2018

- Performed daily routine tasks including feeding, water quality monitoring, tank cleaning and general maintenance such as net changing and repairs to ensure optimal conditions for both operation and research
- Assisted in experimental work on juvenile chub mackerel rearing and asari clam culture, applying fish disease protocols and conducting parasite treatments to support ongoing research efforts
- Conducted data analysis, generated detailed reports and contributed to Netflix's *Tuna Girl* production by sourcing and collecting polychaetes to be used as set props

Project Experience

[Marketing Analysis for ShopEasy](#)

- Conducted comprehensive data analysis for ShopEasy, identifying factors contributing to reduced customer engagement and low conversion rates using SQL for data extraction and cleaning
- Performed sentiment analysis using Python to understand customer feedback and developed actionable insights to improve marketing strategies and enhance customer satisfaction, aiming to raise ratings from 3.7 to 4.0
- Built an interactive Power BI dashboard to visualize key KPIs, including conversion rate and customer engagement, leading to data-driven recommendations that optimized marketing performance

Certification

- [Google Data Analytic Professional Certificate](#)
- [Google Business Intelligence Professional Certificate](#)
- Google Advanced Data Analytic Professional Certificate [On-going]
